***Examiner's Amendment***

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Mr. Borodock on 7/10/06. The application has been amended as follows:

**Cancel claim 22.**

***Drawings***

The drawings were received on 5/2/2006. These drawings are replacements to delete reference to the number 12, which is not mentioned in the specification.

***Terminal Disclaimer***

The terminal disclaimer filed on 5/2/2006 disclaiming the terminal portion of any patent granted on this application which would extend beyond the expiration date of 6,780,676 has been reviewed and is accepted. The terminal disclaimer has been recorded.

**Reasons for Allowance**

19-21 + 23-39

Claims ~~40-48~~ allowed.

The following is an examiner's statement of reasons for allowance: The claims are allowed because the terminal disclaimer filed on 5/02/06 is sufficient to overcome the previous obvious double patent art rejection.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
